Description:

Education in Industrial Age 4.0

Talk by: Prof.Madan M. Pant

About the speaker: Professor M.M. Pant is pursuing next generation learning, using blogging, Twitter, YouTube and WhatsApp , delivered on mobile phones, named Learning 321: education in the 3rd decade of the 21st Century. His special interests are Pedagogies of self-learning, AI in education and creating awareness of Quantum Technologies. He is a former Pro-Vice-Chancellor IGNOU. He has been a faculty at IIT, Kanpur, NIT, Allahabad and Visiting Professor to the University of Western Ontario, Canada. Prof. Pant is the founder of the LMP Education Trust, an organization supporting new age learning.

Challenges faced

- Searching for experts in insightful and experienced personalities in learning.
- Working on schedules for high profile speakers.
- Mild network connectivity issues.
- Coordinating between the zoom platform and youtube.

Key factors for the success of the event

- The topic of the talk was intriguing.
- The speaker of the event was passionate about giving the talk.
- Efforts by the speaker to present the concepts.
- Explained in a simple way providing references to real life situations.

- The content was targeted to the audience from different backgrounds and was open for all.
- The live chat interaction of the audience to the speaker.
- The event was publicized in a creative way on social platforms which increased participation.

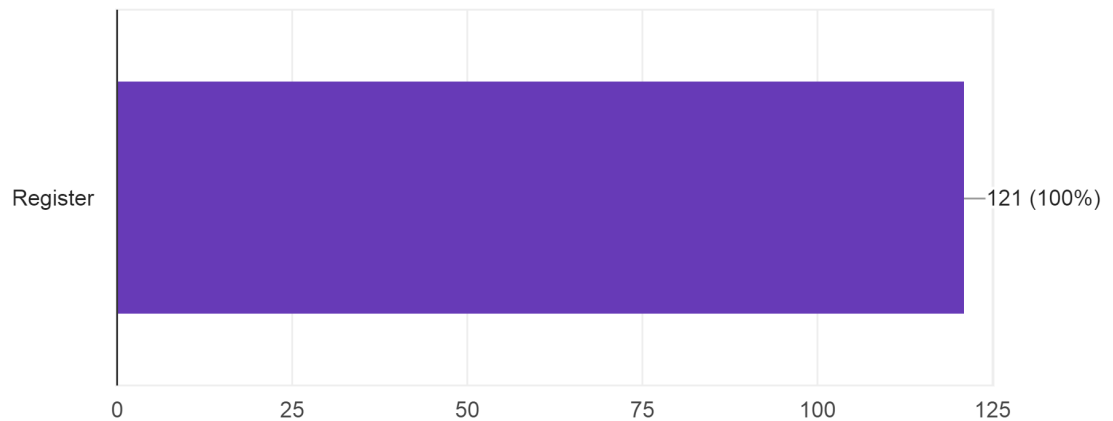

Individual learning in organising the event

- Improved communication skills
- Opportunity to connect with the expert
- Inspiring personality of the speakers
- Patience in the process of contacting the speaker.
- Taught humility and inspired to achieve more despite of the challenges
- Learned time management to handle multiple tasks
- Teamwork and coordination, being able to solve issues faster and get back on track.
