Report on “Robotic Process Automation (RPA)”

Objective:

- To create and deploys a software robot with the ability to launch and operate other software.
- To make students automate their repetitive everyday tasks.
- To make software robots that increase accuracy by avoiding human errors.
- To create a virtual workforce across applications and systems to increase efficiency and reduce labour cost as well as time and energy.

Outcome:

- Students will be able to do web scraping using Automation.
- Students will be able to do File and Excel Automation.
- Students will be able to do PDF and Database Automation.

Date and Time:

- 23rd March Tuesday: 8am-11am
- 24th March Wednesday: 8am-11am
- 25th March Thursday: 8am-11am
- 26th March Friday: 8am-11am

Number of Registrations: 17

Description:

Instructor Name – Hrishi Salunke

Topics Covered

- Introduction to UiPath Studio and Basic Programming
- Recordings in UIPATH
- Web scraping
- File and Excel Automation
- PDF Automation
- Database Automation

Challenges Faced

- Finding an industrial professional with lot of experience in Robotic Process Automation.
- Network Connectivity from participant’s side.
- Getting an interactive Workshop Environment in the online medium to keep students engaged.

Key Factor for The Success of The Event

- Instructor conveying difficult topics in very simple manner and keeping students constantly engaged.
- Hands-on training by the instructor and on the spot doubt solving.
- Project completed at the end of the workshop by all the participants.

Individual Learning in Organising the Event

- Improved Communication Skills as got to interact with lot of students as well as faculties and industrial professionals.
- Team Management skills while organising the event and distributing the workload.
- Exposure to Online Technologies like Zoom and Google Meet.

great session

Pace is perfect and I'm able to execute it too

good workshop

great content

No

Its great session ,cleared so much doubt and i learned many things in less time

Going good

NIL

It was nice.
